12-19-11 LTR TO GERALD MERAL FROM TOM HOWARD.pdf

Attached is the "prequel" letter from Tom Howard to Jerry M. on his view of the interplay between the Board and BDCP.

If you haven't seen it, read it.

I think it responds, prospectively, to most of the issues raised in the water agency letter.

EPA is pretty much 100% behind the Board's process at this point.
